

# INTERNSHIP OPENINGS

tempting opportunity to gain experience in INDUSTRIAL MARKETING role

## JOIN OUR MARKETING TEAM!

We are looking for an enthusiastic marketing specialist who will help us in refreshing our communications tools (internet site, brochures, presentations layout and so on...)

You will be working in close contact with our Sales Team to define and implement the best COM strategy for our company to maximize our brand recognition.

To perform at best, you need to understand our products and their applications which are typical of an industrial company,

In this sense an interest in the world of batteries would be a strong asset.

## YOUR PROFILE

- You have a solid technical marketing/COM background;
- You are familiar with the development of web pages, both from a layout and a content point of view;
- You can work independently following the inputs of our sales team;
- You are a well organised person with strong attitude to achieve goals following the defined scheduling;
- You have a good knowledge of spoken and written English.

## WHAT WE OFFER

- An exciting position based in Luxembourg in an innovative product driven company;
- Work side by side with our experienced sales and technical sales team;
- Insights into everyday industry operations;
- 6 months with flexible start as soon as possible;
- Living cost contribution.

## AMER-SIL

Headquartered in Luxembourg, Amer-Sil is a membrane manufacturer. Its PVC/silica hybrid microporous membranes and nonwoven gauntlets are world leading products in the lead acid battery market. Moved by a strong desire of innovation, Amer-Sil is conducting intensive research in the membrane technology field for application in redox flow batteries and electro dialysis.
