

ARTEANA

Do you want to kickstart your career and accelerate your knowledge within supply chain operations and production management? Apply for a Supply Chain & Operations management trainee program within Europe's most exciting emerging luxury footwear brand.

ABOUT ARTEANA

Arteana is a sustainable luxury footwear brand founded in 2019 with a dream to inspire people to live la Dolce Vita - without compromising our people & planet. In less than 3 years, Arteana has grown from a start-up into an international company with distribution in North America, Europe, Asia, and the Middle East at premium retailers such as ILLUM A/S, Harvey Nichols, Level Shoes, and Neiman Marcus.

For our office in Florence, Italy, Arteana is looking for smart, proactive, full-time trainees within Supply Chain & Operations who are passionate about the core of manufacturing- and distribution processes and excited by a fast-paced position with a steep learning curve and exciting challenges in a young team of students, serial entrepreneurs, and senior executives with experience from companies such as Google, McKinsey & Co, ZARA, Boozt.com, and Aquazzura.

ABOUT YOUR ROLE

As a Management trainee within Supply Chain & Operations management, you will work directly with our Director of Operations and assist in a broad range of tasks focused on ensuring smooth transitions throughout our value chain from factory to end-client including production management and operations within e-commerce- and wholesale distribution.

PRIMARY RESPONSIBILITIES

- Support the management team on strategic planning within Supply Chain & Operations
- Coordinate and manage operations in close collaboration with our Director of Operations
- Lead and optimise activities within E-commerce & Retail distribution

OUR EXPECTATIONS. YOU HAVE/ARE:

- Passion for supply chain and/or luxury fashion and enthusiasm about learning new skills
- Ambitious, proactive, and structured and willingness to contribute to a vibrant culture
- Great communication skills in English, both speech and writing

WHAT WE OFFER

- A full-time traineeship with competitive compensation and a steep learning curve
- A chance to kickstart your business operations career and translate theory into practice
- A mentor programme with a strong focus on your professional- and personal development
- A fun & international environment in one of the most beautiful cities in the world
- A full-time position upon completion of your traineeship with results exceeding expectations
