iSi GmbH – Content Creation and Communication Internship

Are you interested in e-commerce? Do you have passion for working in a fast-paced online retail environment? Do you have plenty of ideas on how to improve processes to make life easier for our consumers? Are you proactive and handy-on? If you are, then we have the perfect opportunity for you!

About Us:

iSi GmbH is an e-commerce group founded in 2012 in Germany. The group consists of online retail brands in France (iSi-Sanitaire.fr), the United Kingdom (SuperBath.co.uk), the Netherlands (SuperBath.nl), and Italy (SuperBath.it). Through these brands, we sell +220,000 branded bathroom products directly to the consumer at competitive prices.

Our culture:

We are constantly working on expanding both our product offering and the markets we operate in. We are a young company, both in origin and workforce. We are an international company that maintains a flat hierarchy within and between the different departments. Innovation is not only a word at iSi: we expect our future colleagues to give us some fresh ideas. This means that there are plenty of opportunities to bring your initiatives to the table. It also means there is a great team spirit since everyone is eager to develop both themselves and the company. Even outside of the office you will never get bored with regular drinks and other team events to participate in.

About the position:

We are excited to offer you the unique opportunity to join our team as a Content Creation and Communications Intern. You will be co-responsible for creating engaging stories and designing web content. We are looking for people with excellent communication skills, a flair for content creation and a knack for effective communication. As a Content Creation and Communications Intern, you will be immersed in the field of digital marketing, focusing on content creation and communication strategies so that we can deliver quality content to users who could become potential customers. This internship will give you hands-on experience and the chance to make a real difference in this area.

Some things you can expect:

- || Creating and editing engaging and relevant content for various platforms, including Youtube, Pinterest and Instagram
- || Generating creative ideas for text, graphics, videos, and other media formats
- || Assisting in the planning and execution of content strategies
- || Researching and analysing industry trends to generate innovative content ideas
- || Maintaining and updating existing content
- || Starting date: As soon as possible
- || Duration: 5-6 months

Your profile:

- || Studying in fields such as marketing, communication, journalism, media studies, or a related field
- || Creativity and passion for content creation
- || Excellent written and verbal communication skills
- || Proficiency in using content creation tools and software (e.g., Adobe Creative Suite, Canva, content management systems)
- || Initiative, teamwork, and the ability to work in a fast-paced environment
- || You are fluent in French and English

What we offer:

- || Salary: 700€ / month (you can also apply for the Erasmus scholarship)
- || Regular German lessons
- || Free snacks and coffee
- || Free access to a local gym
- || Vacations: 1 day / month
- || Events: Frequent social company events (Pool, Lasertag, Bowling, BBQs, etc.)

Since we are growing rapidly, we are always looking to expand our team with skilled and likeminded people. As a successful intern, there will be opportunities with us after your graduation to grow alongside the company.

Do you want to make a great start in your carrier, and does the above profile match your background? Then apply now by sending your application in English (CV and motivation letter) to hr@isi-sanitaire.fr and you will hear from us as soon as possible.
