

FERNANDO MENIS

INTERNSHIP ADMISSION NOW OPEN

Are you an architecture / graphic design student or a graduated one looking to obtain working skills in a creative environment?

Experience the thrill and rewards of working in an environment where a selected multicultural team engages in architectural projects, competitions and exhibitions among others in the day-to-day work. As international architecture studio located in Tenerife (Canary Island) where internships last a minimum of 3 months, we give interns the opportunity to with the reality of the profession in a global world and bring their ideas and creativity in the process of the creation of current MENIS works. We seek for highly creative interns with passion, ambition and positive attitude for every task.

Send your **CV** and **Portfolio** (PDF file less than 10mb) now to: Info@menis.es

Be part of the **MENIS TEAM!**
