We're looking for a creative individual with skills in photography and videography to shape our visual identity and boost our online presence. You'll craft engaging content for social media platforms like Instagram, Facebook, and TikTok, contributing to our overall brand strategy and enhancing our digital footprint.

What You'll Do:

- Create and edit photos and videos for social media and events
- Preferably, handle drone footage
- Collaborate on content calendars and visual strategies
- Produce & manage post-production tasks
- Upload and organize creative content on social media

What You Need:

- Degree or experience in videography, photography, creative or graphic design
- Proficiency in video/photo editing and Adobe Creative Suite
- Ability to manage multiple projects, with a keen eye for detail and creativity
