

IE Josep M. Xandri

A state school located in Sant Pere de Torelló (2,500 in.), Spain.

Founded in 1934 for ages 3-12, in 2020 included ages 12-16.

It currently has around 300 students and 30 teachers.

In 2018 it started a deep innovative transformation process.

We believe in. . .

- Quality education
 - Attention to and promotion of diversity
 - Assessment as a learning tool
 - Learning and Communication Technology use
 - Environmental care and preservation
 - Social nature of learning
 - Establishment of communication channels
-

We apply. . .

- Dumont's 7 learning principles
 - Delors' 4 pillars of education
 - Neuroscience
 - PBL related to SDG 2030
-

We have. . .

- 4 learning communities grouped by maturity
 - Flexible schedule
 - Pleasant and specialized learning spaces
 - Socialized material
 - Manipulative tools made of natural materials
 - Personalized diaries to collect and reflect on one's learning
 - Personal commitments
 - Individual tutors who do close follow-up
 - Quality and process assessment
 - Cooperation with all town entities
-

We do. . .

- Daily life of 3-6 year olds.
 - Daily life of 6-9 year olds.
 - Daily life of 9-12 year olds.
 - Daily life of 12-16 year olds.
* Recorded in 2020.
 - Learning spaces
*Shot in 2023.
-

We are planning. . .

An Erasmus+ project based on PERSONALIZED LEARNING to improve quality education.

- Job shadowing (2 adults / 3 days)
 - Observation
 - Sharing good practises
 - Pedagogical debates
 - Students exchange (9-18 students aged 15-16 / 5-7 days)
 - Previous online exchange to compare schools
 - Sharing experiences
 - Documenting the learning process
 - Pedagogical debates concluding in improvement proposals to both schools
-
