ABOUT US

Civil Society Supporter Association (SITODED)

It was founded in February 2006. In many areas it enforces youth activities and founder members of civil society supporter association have education degree of bachelor, master, PhD level as a result of their research in Erzurum to develop civil society activities. Today we have about 100 active members. The members of our association who are to make projects are volunteers who are young people, children, handicapped, and women. Civil society supporter association holds various supporting activities in our local's NGOs. And Civil Society Supporter Association joins national and international level active Professional foundations and universities who were coordinated in training courses and takes this acquired knowledge and experience to transpose to our local. By doing so, SİTODED (Civil Society Supporter Organisation) tries to improve and develop itself.

Our aim is;

- to take initiative actions to improve the efficiency level of Civil Society Organisations and NGOs.
- to be a leading organisations to direct the Civil Society Organisations in Erzurum in terms of both European and World norms in the parallel of globalisation.
- to provide, and develop communication and collaborations between active NGOs at the local level.
- to create projects at both local, national and international level and help them be represented in international platform.
- to enable the use of current programmes and spread them over to develop Erzurum.

OUR MISSION

- to improve the efficiency level of active NGOs in our local at local, national and international platform.
- to generate solutions and give support to solve the problems of those who are not funded and experienced on having fund.
- to create coordination
- to create information network and provide support in creating it to have socio-economically added-value.

OUR VISION

To have individuals who;

- can make changes,
- create projects that have high efficiency level,
- have no doubt for the future,
- can support the leaders of the movement of Civil Societies to reach the concept of “Erzurum of the Future”,
- can create liveliness and share these common ideals by coming together.
