

WE WANT YOU !

to work with us in Barcelona

INTERNSHIP MARKETING/SALES - BENELUX REGION

ABOUT US

Market Control is a young and upcoming enterprise with headquarter in Barcelona. The core of the company, established ten years ago by a German entrepreneur in Catalonia, is the development of software solutions for sales optimization for companies in the consumer goods and pharmaceutical sector or for market research studies. We are looking for a trainee who likes to support us for a period of at least five months in the area of marketing/sales for the BENELUX region. We offer a monthly salary of 500€ on a full-time basis for your internship.

WHAT WE OFFER

Benefit from intercultural exchange with colleagues and work with internationally known companies.

You can contribute your ideas to a wide variety of projects and work with us on individual solutions.

FLEXIBILITY

INTERNATIONALITY

We offer you further training opportunities. After successful completion of a course you will receive a certificate.

FREE TRAINING

You will feel comfortable in a relaxed working environment cooperating in a team willing to help you.

AMBIENCE

We are happy to help you in finding a cosy home in Barcelona, where an urban lifestyle meets beautiful beaches.

LOCATION

YOUR TASKS

We are looking forward to you joining us in our international expansion. In close cooperation with other areas of the business, you will have the opportunity to apply our market entry strategy into the BENELUX region. You will work on the adaptation of our software for this new market. In addition, you will be responsible for the support of our existing international clients. Operational tasks such as the creation of internal and client-specific presentations as well as the content development for online and offline channels will also be one of your responsibilities.

YOUR SKILLS

You are studying an economic subject, preferably with a focus on marketing or sales. You have already gained some professional experience in the field of marketing, sales or market research. You enjoy project-based work and like to work in small and enthusiastic teams. You have outstanding English skills (both written and oral). Your mother tongue should be French or Dutch. Other language skills, especially in Spanish, Flemish and Luxembourgish are advantageous.
