

## Social Media (m/f/d)

### Do your internship at Longevity Life, Berlin

At Longevity Life, you won't be making teas and coffees or printing out documents: we are looking for curious interns who are willing to take on new responsibilities. Longevity Life is a supplement brand dedicated to promoting healthy longevity through rigorous adherence to evidence-based scientific principles. We're currently starting to build up our digital marketing presence on LinkedIn and hope that you can play a role in this.

#### You will be responsible for the following tasks:

- Managing and designing posts for social media accounts
- Developing our e-commerce shop
- Monitor various social media platforms such as LinkedIn and Instagram
- Understands the overall concept of the company, including the brand, customer, product goals, and all other aspects of service
- Provide suggestions to management
- Taking pictures for social media
- Helping to write blog articles for our website
- Other impromptu writing tasks, such as designing tenders, brochures, presentations, etc.

#### What we can offer:

- Social media projects where you can let your creativity loose while having the opportunity to work closely with the manager
- Coaching throughout the internship to assist you in achieving your career goals, including a discussion at the beginning of the internship about what you would like to get out of your time at Longevity Life and which directions you would prefer to work in
- A working environment in which you will be able to influence our processes and projects with your own ideas and creativity
- Remote work/ you can travel all the time
- We will be able to introduce you to other startups from various different branches to expand your professional network
- Flexible start and end dates for your 3-6 months internship (full-time), with the option of doing a part-time internship instead

#### What we are looking for:

- You're studying in a writing/journalism/marketing/science communication or related field and are looking for a place to do your compulsory internship, where your creativity will be valued and you can put it to practice in different ways
- You are interested in health and ecommerce
- You are driven, open, reliable, and appreciate clear communication
- You aren't afraid to take on responsibility and enjoy working independently
- You already have some experience with marketing/communications and are interested in B2B marketing
- You are fluent in English (C1)

**We look forward to receiving your application! If you are interested in this internship, just send an email with your CV: [miriam@mylongevitylife.com](mailto:miriam@mylongevitylife.com)**
