

Providing quality tuition in a fun way!

We are TEB English!

Teb is an English academy with almost 30 years' experience with learners of all ages, especially younger students from 2 to 18 years old. We offer fun, dynamic classes, and help our students to reach their goals in the English language. We prepare official Cambridge exams at all levels, with a fantastic pass rate. We have two centres in Seville, one in the emblematic district of Triana, the other in the small, typical Andalusian town of Espartinas, located 15 minutes away.

We have teaching staff from all over the world, and have created a friendly and supportive environment for teachers to thrive and develop their skills, while enjoying a unique cultural experience in the south of Spain.

LOCATION

Seville is one of the most beautiful cities in Spain, and is located in the region of Andalusia. It has a fantastic climate with over 300 hours of sunshine a year. It is the home of flamenco, and has a wonderful variety of historic monuments and architecture. The city has an international airport and is well connected by train to other major destinations, and only an hour from the coast and wonderful beaches.

SEVILLE

Seville is a very popular tourist destination, and for good reason: it has a charming, bustling centre and lots of places to eat delicious tapas and sit on a terrace watching the world go by. It has a rich history which has left a huge variety of different styles and monuments. In spring, the orange blossom blooms and fills the city with a wonderful scent and colours, and the April Fair is the most popular in Spain.

LIVING IN SEVILLE

Seville is an affordable place to live. Espartinas, which is just outside Seville, is well connected by bus and is only 15 minutes away. The city and town have a long list of great places to eat, where you can try the exquisite traditional Spanish tapas or more modern cuisine, sitting lazily in the sun on a terrace overlooking the river Guadalquivir. The nightlife in Seville is fantastic, dinner and drinks or a show, or a nightclub to dance until the early hours, there's a little of everything to enjoy.

**An unforgettable experience, and opportunity
to grow together, broaden horizons and have a
positive impact on someone's life.**
