

## **WE ARE LOOKING FOR A PASSIONATE UX/UI DESIGNER INTERN FOR BARCELONA or SINGAPORE**

Klaud9.com is an online platform that matches photographers and brands to create amazing photos in 24 hrs across the region and at scale with technology for their social media/marketing campaigns. Our team consists of passionate photographers and creatives who developed Klaud9.com, a fun platform where marketers and creatives can find the best visual content creators.

We are seeking a passionate UX/UI Designer Intern to help us take our website to the next level. You will be helping the Head of Development & Product to work on improving the website to increase conversion.

### **Responsibilities:**

- Gather and evaluate user requirements in collaboration with product managers and engineers
- Illustrate design ideas using storyboards, process flows and sitemaps
- Design graphic user interface elements, like menus, tabs and widgets
- Build page navigation buttons and search fields
- Develop UI mockups and prototypes that clearly illustrate how sites function and look like
- Create original graphic designs (e.g. images, sketches and tables)
- Prepare and present rough drafts to internal teams and key stakeholders
- Identify and troubleshoot UX problems (e.g. responsiveness)
- Conduct layout adjustments based on user feedback
- Adhere to style standards on fonts, colors and images

### **Requirements & Skills:**

- Experience as a UI/UX Designer
- Portfolio of design projects
- Knowledge of wireframe tools (e.g. Wireframe.cc and InVision)
- Up-to-date knowledge of design software like Adobe Illustrator and Photoshop
- Team spirit; strong communication skills to collaborate with various stakeholders
- Good time-management skills
- BSc in Design, Computer Science or relevant field

### **Compensation:**

- Salary: depending on experience
- Location: Barcelona or Singapore full time. Our head-office is in Singapore, sometimes travelling to Singapore might be required
- A unique opportunity, unlike anything you have experienced before
