**About Chitkara University and Chitkara College of Education**

Chitkara University has been in the forefront of higher education in North India and boasts of a learning environment that represents a unique blend of distinguished faculty, brilliant students with strong industry collaborations and extensive partnerships with international universities. Our major academic programs are consistently ranked among the top 50 in the country that speaks volumes about our enduring commitment, strong academic heritage and innovative teaching practices.

Established in the year 2003 – based at Chitkara University Punjab - Chitkara College of Education aims to provide an exemplary stepping stone to the budding teachers' future success through a concrete grounding in requisite skills and knowledge, which is channelized towards striving for teaching excellence and for creating exceptional leaders to transform the education realm. B.Ed. studies program has been designed to prepare Educators for the 21st-century schools in collaboration with leading K-12 North India schools. Altering the DNA of an  $\alpha$  Teacher was envisioned to the growing concern that teacher education program has remained unchanged in terms of substance, experiences offered and modalities adopted. The entire curricula of the B.Ed. program has been redesigned in order to alter the DNA of existing teachers so that they can cater to the diverse needs of the 21st-century learners. With this scope in mind, B.Ed. curricula is executed in symbiosis with Chitkara International School, acknowledged as one of the best school in Chandigarh in providing global environment and quality education – inspiring minds of staff and students. In cooperation with a dense network of European and Indian partner universities, Chitkara College of Education is actively involved in the European Commission Erasmus+ program. The international internship programme is run in cooperation with Chitkara Spaak Centre for Multidisciplinary European Studies.
