

Based in Berlin, Europe's creative tech capital, we reinvent e-commerce by creating the world's largest hub for product videos that massively increase conversion. DemoUp is an end-to-end solution that enables shopsto automatically integrate thousands of product videos from leading brands. 96% of online shoppers love product video and DemoUp is on a mission to fulfill their dreams.

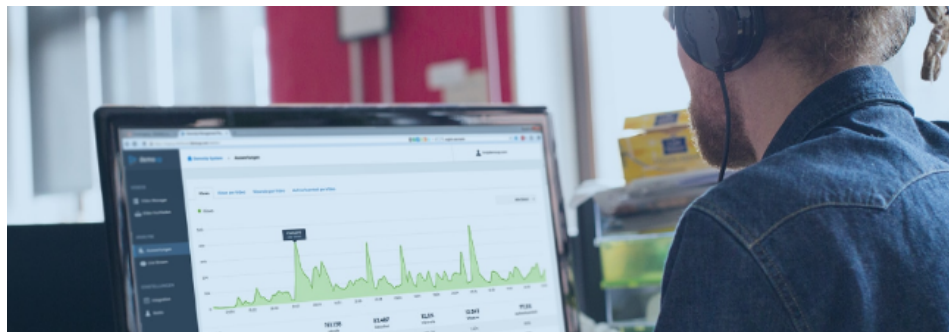

*We are looking for a **Business Development Intern** to work closely with the Brands & Content team.*

Candidate Attributes & Tasks:

- Implement the newest product videos from our brands partners like Samsung, Acer etc.
- Enrich videos with product data information
- Connect our onlineshops partners with the product videos
- Assist our tech team with bug reports and quality assurance
- Good knowledge of common computer tools such as MS Office
- Knowledge of and interest in, e-commerce, video & startups
- Minimum C1 level English

What we offer:

- A lot of responsibility and the chance to actively contribute ideas,
- Financial compensation for your contribution (**€ 450** per month),
- Loft-style office with free coffee, water and fresh fruits,
- An opportunity to work in one the hottest startup scenes as part of a young and enthusiastic team in the heart of Berlin,
- A lot of room for fun, creativity, ideas, and improvements.

We are looking forward to meeting you in person. Please submit your application via e-mail to hr@demoup.com and quote your possible start date. Do not hesitate to contact us, if you have any questions regarding your application.
