

INTERNSHIP INFORMATION

Poland
Poznań
Ul. Cicha 3, 61-710

INTERNSHIP POSSIBILITIES

- Internship that does not require prior experience/knowledge: Sales Department (English speakers, Arabic is a bonus)
- Internship that requires some prior knowledge: Marketing Department (English)
- Internship that requires prior knowledge: UI/UX Intern (English/Polish)

DESCRIPTION

We are a web-design agency, based both in Poznań and Riyadh. We are looking for interns that are ambitious students, eager to learn new things. Not only do we look for interns that are interested in gaining departmental experience, but we want our interns to be willing to develop their communication skills in order to become better individuals. We want our interns to not be afraid of making mistakes and to acknowledge them.

DURATION/ COMMITMENT

Duration: 2-3 months (period extension is possible if needed)

Commitment: Part-time/ Full-time (as you are required)

WHAT WE OFFER

- Chance to quickly grow as an intern
- Real life experience
- Freedom of work and flexibility
- International environment
- Practical usage of designing, marketing and sales skills
- Opportunity to work with top global brands
- Opportunity to work in highest ranked UX/UI agency in Poland
